

SEALED Press - press kit (one page)

Product snapshot

Title: SEALED - The 2016 Promises Before the Deals

Imprint: SEALED Press / Demiurgic Labs

Format: Digital bundle - PDF, ePub, audiobook (neutral narration)

Elevator pitch (<=40 words)

Primary-source archive of 2015-2016 campaign statements - quoted so readers can compare promise to later public record, without editorial verdict.

What makes it defensible

- Debates, rallies, interviews - cited paths to corpus or transcript families.
- Faceless presentation - no author celebrity; archival tone.

Audience

Historians, politically engaged readers, journalists needing original-quote anchors.

Boilerplate (short)

SEALED Press publishes historical archives of public political speech for reader-led comparison with official records.

Literary agent tightens quotes against artifacts/sealed-v1-content.md; brand-design aligns typography claims with live landing.
