

A SEALED PRESS ARCHIVE — VOL. 1

145 campaign promises. Color-coded verdicts. Every receipt.

The 2016 platform, graded against what actually happened. No spin, no party — just the record, with the source URL behind every claim.

Written at a sixth-grade reading level, with 14 original illustrations. The companion citation archive lives at **SEALED2016.COM** — every receipt searchable.

"Memory loses. Receipts don't."
